**Attention:**

**Case Managers and Adjusters**

Don't pay too much for what you need,  
when you can go to the source – eliminate  
the middleman!

**Professionalism**

Ghusa *Multilingual Solutions* requires its interpreters to have relevant experience before they can interpret in each field. For example, a medical assignment will only be assigned to an interpreter who has undergone proper medical interpreting training.

**As a *Multilingual Solutions* company, Ghusa is proud to be a member of:**

Professional Association of Translators and Interpreters in the U.S.A.

Carolina Association of Translators and Interpreters

## Multilingual Solutions

### On-site Interpreting

We provide on-site consecutive & simultaneous interpreting for:

- Business meetings
- Conferences
- Depositions
- Mediations
- Healthcare scenarios
- Immigration

Whatever your setting may be, our on-site interpreters will make your communication seamless and effortless.

### Telephone Interpreting

We offer a professional telephone interpreting service, with just one call. Our service is an easy and cost effective way to make sure that you can communicate with your claimants.

- Conference calls
- Recorded statements

*Ghusa Makes the Difference*

## Multilingual Solutions

### Patient Transportation

Ghusa Medical Transportation has a patient transportation service ready to serve you and your patients, providing high quality medical transportation services throughout the Carolinas.

We ensure that patients are transported with the right level of medical expertise in the most appropriate vehicle (specialty vans accommodating wheelchairs) in order to meet the patient's healthcare needs in an economical manner.

*Ghusa Makes the Difference*

## Multilingual Solutions

### Document Translations

Ghusa *Multilingual Solutions* works only with in-house professional translators. We are not a broker that uses translators located throughout the world. In addition to using native linguists to translate and proofread each project, Ghusa adheres to a detailed internal quality control procedure when providing translation services for:

- Websites
- Business
- Advertising
- Construction
- Insurance
- Education
- Computer applications
- Medical documents
- Legal documents and immigration
- Transcription of recorded statements
